

# BEAUTYSTALL WEBSITE USABILITY TEST

## CONSENT FORM

Beautystall website is a web application that is developed for our User Interface group project. This web application is only a “simulated” usability test.

In this usability test

- You will be asked to perform certain tasks on the application.
- We will conduct a short interview with you.
- You will be asked a few questions before and after using the application.

Participation in this usability study is voluntary. All information will remain strictly confidential. The description and findings may be used to help improve the website. However, at no time will your name or any other identifications be used. You can withdraw your consent to the user testing and stop participation at any time.

☒ I have read and understood the information on this form and had all my questions answered.
